## OCTOBER 2022

[www.romseybowlingclub.com](http://www.romseybowlingclub.com)

The rumbling sound of bowls trolleys and the chatter of happy bowlers is now still 'Over the Hedge' as the season comes to an end and the green is left to the low flying ducks. Despite the excessive heat it has been good to meet up with some normality with our fellow members. Finals weekend was a great success with games played in good weather followed by a barbecue. Now I hope members will join in with events taking place in the club house during the closed season.
