**THE FINALS WEEKEND** took place on the weekend of September the 5th and 6th, blessed—after continuing heatwaves and then a week of rain—with some warm and cloudless weather, perfect for bowling. The games were well attended by spectators, accompanied by much tea and coffee, a fine selection of cakes (and whiskey shortbread!), and followed by the traditional barbecue.

The games were mostly very closely contested, and played smoothly, kept running by the markers and umpires, with a couple of players being struck by bad luck in the final ends. The Green played better than might be expected, considering current weather conditions and the constant attentions of the park's rook population.

### A MESSAGE FROM THE PRESIDENT

After a wonderful Finals Weekend, on behalf of the GMC, I would like to say a big Thank You to:

- The competitors, for some terrific bowling and some very close games.
- All those who made cakes and manned the cake and drinks table.
- The ladies who organised and set up the food for the barbecue.
- The Green Team for their work on the Green and setting up the rinks.
- And all those members who came to support.

It was wonderful to see so many people there having a good time, it's what makes this club so great!

—President Kevin.
