September 2025

www.romseybowlingclub.com

September 27th signals the end of another successful season when the sound of trolley wheels and the chatter of happy bowlers falls silent across the park and the only sound 'over the hedge' will come from the gentlemen of the 'green team' as they continue their great work preparing for 2026 when we will be back!!!! The Hawaiian themed President's Day was a great success as in past years with the usual supply of Pimms followed for all those able to focus by the 'spider' and several ends of bowls before members sat down to a buffet and copious glasses of wines and raffle.

Our Finals Weekend was played in reasonably good weather with support from members and their families. A large supply of cakes and refreshments donated by our fellow members were available on both days and added to the enjoyment of the tournament.
